

International Dance Day

Dear Partner,

April at VR Nagpur was a celebration of curiosity, culture, and community spirit. From igniting young minds through science to honouring the planet and showcasing India's classical dance traditions, the month was a blend of learning, reflection, and expression.

We began with Science at Life, an exciting collaboration with Raman Science Centre, where everyday science came alive through interactive experiments and engaging demonstrations. On Earth Day, we deepened our commitment to sustainability with meaningful partnership with the Life of Tree Foundation. As the month drew to a close, we marked International Dance Day with immersive classical dance workshops and beautiful performances.

Looking ahead, May brings a season of new beginnings and exciting additions. From the grand arrival of Birkenstock and Fifty Shades of Coffee, to engaging events like Lock the Box: Bookchor Book Fair, Maharashtra Day, Mango Fest, and a heartfelt Mother's Day Celebration, the month ahead promises even more reasons to visit and celebrate with us.

Warm regards,
Team VR Nagpur
